(a) Domestic traffic is counted both at the airport of arrival and at the airport of departure.

The total domestic plus international traffic is, therefore, only a measure of airport activity.

(b) Excludes traffic at Barrow, Battersea Heliport, Carlisle, Isles of Scilly (St. Marys), Isles of Scilly (Tresco) Londonderry, Penzance, Plymouth and Shoreham.

(c) Rotary wing includes only scheduled operations to/from full reporting airports and services to/from oil rigs.

Please note that figures may change overtime as each new version is produced. Information relating to an airport who has ceased to handle regular traffic/closed will be excluded from this table completely. For data concerning historical years it is recommended that you use earlier produced versions of this table.
